

Holy Savior Academy Referral Incentive Program for 2021

The Referral Incentive Program encourages current Holy Savior Academy ("HSA") families to help recruit new families to join the Holy Savior Academy community in grades K to 7. The terms below refer to recruitment for the 2021-22 school year.

How the Program Works

- Invite your family, friends, co-workers and neighbors to enroll their child/children at Holy Savior Academy.
- Complete your portion of the Referral Incentive Application below and give it to the new family you are referring to HSA. Note that the **NEW** family **must** include this form with their **registration materials**, and may only turn in one Referral Incentive Application. It is the responsibility of the **REFERRING** family to make sure the new family turns in the Referral Incentive Application below with their registration materials. Failure to include the Referral Incentive Application with the registration materials will disqualify the referring family from receiving its incentive. No retroactive referrals will be accepted.
- Once the student(s) in the new family is accepted for admission and attends HSA through June 2021, the approved Referral Incentive will be deducted from your May tuition FACTS payment.

Who Is Eligible

- Program is open to all tuition-paying HSA families whose tuition accounts are current.
- Referred families may not have previously submitted registration forms to, or previously attended HSA.
- Referrals of younger siblings of current students are appreciated but are not eligible for the referral incentive.
- Referred student(s) must be accepted for admission and attend HSA beginning with the opening of school in September 2021 through the end of June 2022.
- This Referral Incentive Program is subject to class openings and will be announced as "closed" in grades which become full as registration continues.
- Other program revisions may be announced as enrollment continues.

Amount of Referral Incentive

- The amount for any current family who refers a new family in grades K-7 will be eligible for a 10% discount on one child's tuition. The new family will also receive a 10% discount on one's child tuition. This discount applies for one year only.
